

*Quality For Life*

To all our wellwishers,

We are grateful for your continuous support since the laying of our foundation in 1980 and since then there has been no turning around. With around forty years of experience in the field of designing household Products, SANGEETA has been able to establish a name for its zero quality compromise and efficient supply chain management. Over the years with the continuous innovation in the field of blow moulding and injection moulding, we are proud to become a leader in this business.

We are more than happy to offer you our latest offering of kitchen ware and bathroom ware which could excel only through our excellent dealer network across the country. Let us pledge that only quality and genuine products will be delivered across all household and let us thrive to make SANGEETA be known to each of its customer for its quality and rich experience.

Thanking you

The team
